## Panthers Ready To Kick Off Inaugural Season of Soccer

The University of Northern Iowa's newest sport, women's soccer, takes the field this fall with the intention of laying the groundwork for a strong foundation in the years to come.

Head coach Linda Whitehead, who spent the last four seasons building a new program at Tennessee-Chattanooga, has been given the task of leading the Panther program from the grass roots and into the future.

"You've got to be very patient when you start a new program," said Whitehead. "It's going to be an educational period and an adjustment to the level of play. It's going to take some time for the kids to get used to each other as a team and play at a Division I level."

For Whitehead, this fall will mark the end of six months of preparation to build a program from scratch. An initial concern, finding interested student-athletes, hasn't proven to be a problem, as more than two dozen women reported to camp in early August.

"The main emphasis has been recruiting within Iowa, trying to get the word out that we are going to be a Division I soccer program that seeks players not just for this

**Alaina Shoopman**

year, but the years to come. We've been very fortunate with the recruiting class we have."

As with any new team, having a solid defense will be crucial. To Whitehead, that means having a capable goalkeeper who is able to take the pressure off an inexperienced line of defense.

"When you're starting a program, the first thing you want to look after is the center of the field. Keeper Anne Marie Witko has played at the highest competitive club level and is more than capable of handling the starting role. I think she'll step in and do a fine job for us in that position."

Whitehead envisions Iowa Central transfer Abby Sloss to be among the anchors of the Panther defense. A pair of speedy freshmen, Angie Froehle and Sarah Lowe, were singled out for their strong technical skills and will contribute in the Panther backfield.

Jane Masteller, another Iowa Central transfer, is expected to team with Kate Shaw and Alaina Shoopman in the midfield. Masteller was a consistent scorer at the junior college level for two years, while Shoopman was on the UNI club team last year and is a hard-nosed player. Shaw is a freshman, but has significant club team experience and was cited by Whitehead for her ability to distribute the ball.

Along the Panther front line, Amy McCoy, another former UNI club player, is among the candidates who may provide an immediate impact. Jessica McCarron played on a pair of state champion teams as a prep and is a strong finisher. Prolific scorer Jenny Scheller arrives as a Panther after having set several goal-scoring records in high school. Amy Reinhold may see time at both forward and midfield, and has strong 1-on-1 and ballhandling skills.

Early on, Whitehead will spend most of her time trying to figure out the strengths and weaknesses of her team.

"We'll use the early games to try a lot of different things. We want to play to our strengths and find out which players can play well together. Since these players haven't played together before, we need to find out who compliments who on the field.

"Our focus is to make incremental improvements over the season, working towards that MVC playoff game at the end of October," said Whitehead.

### 2000 Northern Iowa Panthers Roster

No.	Name	Pos.	Ht.	Yr.	Hometown (High School/College)
00	Audey Veach	GK	5-4	So.	Ames, IA (Gilbert Community)

## Head Coach Linda Whitehead

Since her hiring on February 23, Linda Whitehead has put her stamp on every aspect of the University of Northern Iowa's newest intercollegiate sport.

With just six months to prepare for the program's first game, Whitehead has been instrumental in the recruitment of players, field preparation, equipment selection, soccer budget, camps and all other matters relating to UNI women's soccer.

Whitehead has experience starting a team at the college level, having served as the initial head coach at the University of Tennessee-Chattanooga the past four seasons. While at UTC, Whitehead started, designed, and implemented the program, including all aspects of training, recruiting, budget control, fundraising and public relations. Last season the Lady Mocs finished with a program-best for wins.

"We're really excited," said Associate Athletic Director Kevin Buisman. "The search committee did an outstanding job, and it is to their credit that we were able to work fairly quickly through this process and attract somebody of Linda's caliber. I think Linda brings

outstanding credentials to the program, and it was an obvious bonus for us to attract someone that had Division I experience plus the start-up experience that will allow our program to hit the ground running and get our program out to a fast start."

Prior to her time at UTC, Whitehead served as head women's soccer coach at Saint Mary's University in Halifax, NS, Canada for four years, where she was named 1992 Conference Coach of the Year after being named AUAA Champions. From 1991-92, she was head women's soccer coach at the University of Victoria in Victoria, BC, Canada, where her 1992 team won the Terry Price Cup. She was also head coach of the University of Western Ontario from 1990-91.

Whitehead's experience on the playing field includes two years at the University of Western Ontario, where she was named captain and MVP of her team. She also was a four-time winner of the Ontario Championship during her time with the London (Ontario) Concorde women's soccer team.

"People we talk to about women's soccer think we have a chance to be pretty good pretty quickly," said Athletic Director Rick Hartzell. "There are a lot of players around. We'll focus on the Waterloo-Cedar Falls area and try to build a program with some local roots."

**"People we talk to about women's soccer think we have a chance to be pretty good pretty quickly."**

**--UNI Athletic Director Rick Hartzell**

## Assistant Coach Catherine Broshears

Catherine (Cat) Broshears brings a wealth of local experience to the Panther coaching staff, having served as Varsity Girls soccer coach at Waterloo West High from 1997-2000 and as an assistant coach at Cedar Falls High School from 1996-97. While pursuing her Masters of Arts in Physical Education, she played on the UNI women's club soccer team from 1995-98. She also worked in the Academic Advising Office, where she supervised and served as a peer instructor for student-athletes.

As a prep, Broshears played at Evansville's Reitz Memorial High School from 1986-89, where she was an Indiana state champ, two-time state runner-up, two-time captain and was awarded Indiana's Most Valuable Defensive Player in 1988. A two-time Dean's List student at Indiana University, she graduated with a Bachelor of Science degree in Biology in 1995. Currently, she is a Laboratory Analyst at Test America, Inc., in Cedar Falls.

## Assistant Coach Kathy Kakoyianni

Kathy Kakoyianni brings experience as a former two-sport student-athlete at Fanshawe College from 1995-97, receiving her diploma in Recreation and Leisure Services. The London, Ontario native served as a team captain at Fanshawe, leading the West Region in shutouts in 1997. In addition to playing soccer, Kakoyianni played basketball from 1995-97 at Fanshawe. Kakoyianni enrolled at UNI this fall as a graduate student.

## The University of Northern Iowa — Where Great Teaching Makes the Difference

The University of Northern Iowa emphasizes outstanding undergraduate education, with complementary graduate programs at the master's, specialist's and doctoral levels.

Building on its historic strength in teacher education, the University has developed a number of outstanding programs in its colleges of Business, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. UNI also participates in the bachelor of liberal studies program offered by the Regents Universities, and its Division of Continuing Education and Special Programs sponsors classes off-campus in centers throughout the state. Enrollment on its 860-acre campus stands at about 13,500 students from every county in Iowa, 40 states and 48 foreign countries.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The University nurtures a premiere learning environment — it is small enough to offer its students individualized attention, yet large enough to provide a variety of resources,

as well as distinguished faculty. The University prides itself on its reputation as a great teaching school, and most courses are taught by one of more than 600 full-time faculty members who are committed to helping students grow intellectually and personally.

UNI was founded in 1876 as the Iowa State Normal School. In 1909, it became Iowa State Teachers College. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature acted to change the status of the institution to that of a university under its present title.

While maintaining its primary emphasis on teacher education, the University has continued its metamorphosis into a comprehensive institution, with nationally acclaimed programs in many disciplines. UNI's accounting program continues to be ranked among the best in the nation. UNI student groups ranging from chemistry to conservation to public relations have been recognized by their respective national groups for the excellence of the University's programs.

UNI's academic reputation has proven a key factor in its selection to *U.S. News and World Reports* rankings. The school was named among the Midwest's finest institutions. In 1996, UNI was the only public institution among the magazine's top 15 regional universities. UNI received a "1" rating in academic reputation, the highest of any of the top 15 universities in the Midwest region. Other recent issues have named UNI the Midwest's most efficient regional university and first in "best value," as well as an overall "best," "best buy," "up and coming" and "most efficient."

UNI's outreach also extends to the Iowa business community through the College of Business Administration, including the Institute for Decision Making, Small Business Development Center, Small Business Institute, Management and Professional Development Center, Strategic Marketing Services and Business and Community Services. The Iowa Plastics Technology Center and the Center for Applied Research in Metal Casting are among UNI's newest service programs designed to diversify, expand and strengthen Iowa's economy.

In the global arena, UNI's acclaimed Orava Project helps democratize the educational system in the former communist country of Slovakia. As well, student teachers from UNI serve in over 20 countries throughout the world.

UNI offers a wide variety of cultural programs, lectures and conferences. The Continuing Education division, often in conjunction with the University's Office of Conference and Visitor Services, works with business and industry in programs of study and development on the campus. ### UNI Points of Excellence

- For the second consecutive year, *U.S. News and World Report* ranked the University of Northern Iowa second in the Midwest Region's Top Public Universities category in its America's Best Colleges Guide.
- The book, *Crime at College: The Student Guide to Personal Safety*, credits UNI with having the safest campus/community in the country. The book assigns crime rates to 467 college towns in America. UNI/Cedar Falls received the best rating, with 1.14 crimes per 100 people.
- UNI ranked first in the nation for the pass rate of first-time candidates on the Uniform Certified Public Accounting Examination of May 1997, according to the National Association of State Boards of Accountancy. During the 10-year period of 1988-97, UNI holds fifth place among the nation's colleges and universities for the highest percentage of candidates passing all subjects taken.
- UNI's Residential Network, ResNet, provides high-speed network computing to students living in the residence halls. UNI is the first state university in Iowa to provide full Intranet and Internet access to its students in the residence halls.
- The UNI Athletic teams led the Missouri Valley Conference in graduation rate in a 1998 study published by the *Des Moines Register*.
- UNI has finished fourth the past two years in the Missouri Valley Conference's All-Sports Standings. In 1999-2000, UNI won conference championships in men's indoor track, men's outdoor track, women's volleyball and women's softball.
- UNI Athletics has produced many athletes who have succeeded at the national and international levels. Current NFL and Super Bowl MVP Kurt Warner and World Track Championship Gold Medalist Joey Woody are just two of the many student-athletes who have used their UNI degree as a springboard to success at the professional level. Joining Warner in the NFL are former UNI stars Brad Meester, Ty Talton, James Jones, Kenny Shedd, Dedric Ward, Mike Furrey and Bryce Paup.

# 2000 MVC Composite Schedule

## Friday, Aug. 25
